Tina Wright, Township Assessor, 313-303-3687

Meetings of the Greendale Township Board of Trustees are held at 7:00 pm on the second Tuesday of each month at the Township Hall at 4750 West Isabella Road.

Greendale Township Planning Commission, Melissa Carroll (chairperson), meets at 7:00 pm on the fourth Monday of each month at the Township Hall at 4750 West Isabella Road. Holidays may affect the date, check postings at the hall for changes from time to time.

## PROPERTY TAX COLLECTION INFORMATION

The Treasurer will be collecting taxes at the Greendale Twp Hall and will be available on Wednesday's from 3:00 pm to 5:00 pm or by appointment from December 1, 2022 thru February 14, 2023. If you are paying by mail and want a printed receipt, be sure to include a stamped envelope addressed to yourself. You may mail your payment to: GT Treasurer, 3064 West Prairie Road, Shepherd MI 48883

*Building, Plumbing, Mechanical and Electrical permit*

**Twp Code Authority 989-837-6521 Forms can be accessed on their web site.**

### SOLID WASTE AND RECYCLING

Roadside trash pick-up is provided by Republic Services, 800-438-0966 Be sure that ALL trash is bagged and that EVERYTHING is in the container. Call for special pick-up of large items. Whole tires are not picked up by Republic as part of your trash. CM Rubber in Coleman takes old standard auto tires for a nominal fee.

FYI—each residence in Greendale Township is allowed one FREE dump of up to three cubic yards of waste from their homes OR one piece of furniture or Freon appliance at the landfill each month. Dumps over the free limit will be assessed a fee for dumping. Call the Landfill office at 989-837-6988 and follow the prompts for information on Hazardous Household Waste disposal dates and residential dumping. The web address for the Landfill is [www.cityofmidlandmi.gov](http://www.cityofmidlandmi.gov) that may help give more useful information.

Recycling provided at the hall by Volunteers for Recycling is available for **Township residents only** every day of the week. Read the signs and container labels for sorting information and close the cart lids when done. Window glass and fluorescent light bulbs do not recycle, pack items safely and include in your trash. When recycling, please try to smash or crush plastic and metal containers in order to maximize the capacity of each collection bin. There are days when those particular bins are filled to overflowing and flattening recyclables will help make more room. Remember that all cardboard boxes must be flattened. **DO NOT DUMP FURNITURE OR TIRES!!!!**

## DID YOU KNOW?

**THANKS TO THE HARD WORK OF TIM & TRACY FAIR AND THEIR CREW** (volunteers and donations), the playscape is finished and in use. It is heartwarming to see youngsters merrily at play on the structure!!! **GREAT JOB GUYS!!!!**

**A REMINDER—PARKING IS NOT ALLOWED OVER THE SEPTIC & DRAINFIELD, VEHICLES MUST REMAIN IN THE PARKING LOT! THANK YOU!**

FYI, Sandi Schumacher is resigning her position as Trustee effective December 31, 2022. If there is anybody in the Township who has an interest in filling this vacancy until election time in 2024, please submit a letter of interest to the Board in care of Greendale Twp Clerk, 4750 West Isabella Road, Shepherd. The Board has 45 days to fill the vacancy after the effective date of the resignation.

Winter tips from the Midland Co Road Comm. Mailboxes are placed in the road right-of-way and allowed by the Road Comm, be sure to inspect the post and hardware to assure it can withstand the impact of heavy flying snow. If the mailbox is damaged by the snow plow, the MCRC will replace it, if it is damaged by the flying snow, it is the property owner's responsibility. Also, pushing snow across county roads or onto shoulders is prohibited by law, MI Act 82 of 1978. Be sure to pile snow so that it does not cause an obstruction to motorist's vision. Finally, position trash cans so that they can be blown into the driveway rather than the ditch or road by flying snow. Have a safe winter!!
